

Banyan is an Avidyne *Elite* Dealer

Avidyne *Elite* is the highest level in Avidyne's tiered dealer program. To qualify for *Elite* status, Banyan must maintain a high level of business volume with Avidyne each quarter, which means we are an active Avidyne dealer. At least two of our technicians are trained & certified by Avidyne on their products. We actively co-market with Avidyne by participating in at least two Avidyne Field Marketing Programs each quarter and have an Avidyne presence on their Dealer Website.
