UVair – Universal Weather & Aviation

Universal® has decades of experience in business aviation and trip support. We understand the demands, rigors, and costs of global and domestic business travel like no other aircraft fuel provider does. Universal's fuel services are widely recognized as UVair®. And with good reason. To pilots, UVair means worldwide acceptance and competitive fuel pricing on Jet-A. To FBOs, it represents guaranteed payment and unmatched marketing support. But we are much more than a fueling card.

www.uvair.com

Watermakers Air

Welcome to Watermakers Air! Getting to Staniel Cay has never been easier.

Watermakers Air is pleased to offer the only “per person” fares currently available into Staniel Cay in the Exuma Cays. This shared charter service (clearing customs in South or Central Andros) provides a frequent and affordable option to a private charter if you aren't in need of an entire plane. Of course, we provide private charters as well. We are the most convenient, reliable and economical option for passengers traveling from South Florida to the Exumas or points in Andros. In addition, Watermakers Air offers “per parcel” freight service into all of the destinations we serve. www.watermakersair.com
