REPAIR AND OVERHAUL CAPABILITIES LIST

REVISION 1 DATE 10/11/10

Repair and Overhaul capability list for
Banyan Air Service Avionics Division
dated October 11, 2010.

Approved: _____
Lynn Juengel, FAA Part 145 Accountable Manager

Note: Approval for return to service is for system repair and overhaul for the components listed in this capability list. Any new component not listed will not be repaired or overhauled until that component is added to the list and is approved by the repair station Chief Inspector as authorized by the repair station operating specifications.
