Fort Lauderdale, FL - Banyan Air Service based at Fort Lauderdale Executive Airport has recently committed its support to 4Kids of South Florida. Banyan helps this organization through volunteer opportunities, monetary donations, and new and gently used items.

“We considered several non-profit organizations but felt that the mission of 4Kids of South Florida, most closely matched Banyan’s values. We spent several weeks getting to know the organization and felt that the Banyan team would be very supportive of the mission of 4Kids of South Florida,” said Brandy Voss, Banyan’s Spirit Committee Director.

So far, Banyan teammates have donated over \$1200 from payroll deductions to the non-profit. In addition, volunteers have worked three Saturdays this month to help renovate a donated house by repairing drywall, fixing sprinklers, painting rooms, and working on landscaping.

The next event that Banyan will participate in is the 4Kids of South Florida Big Cardio Event on Saturday, April 24 at Central Broward Regional Park, 3700 NW 11th Place, Lauderhill, FL. This annual event raises funds for the organization and consists of a number of activities such as a 5k run/walk, boot camp, basketball tournament and more.

4KIDS of South Florida is a non-profit organization committed to meeting the needs of thousands of children in foster care. From the moment a child is removed from their family because of abuse, abandonment or neglect, this organization provides for them physically, emotionally, and spiritually. 4Kids of South Florida has over 100 licensed foster homes and foster families and twelve family-style homes. For more information about 4Kids of South Florida, or to register for the Big Cardio Event, visit www.4KidsofSFL.org.

Banyan is a 24-hour fixed base operator that provides comprehensive aviation services to domestic and international aircraft owners, corporations and governmental agencies. Services include fueling and hangar services, aircraft sales, maintenance, and avionics. In addition, Banyan offers, Hangar63 (Banyan's Aviation Store) one of the largest aviation stores in the United States and Jet Runway Café which serves breakfast and lunch Monday – Saturday from 7:00 am – 3:00 pm.
