BANYAN AIR SERVICE TEAMS UP WITH BERMUDA DEPARTMENT OF CIVIL AVIATION

Banyan Air Service has been appointed an authorized Bermuda Department of Civil Aviation (BCDA) approved facility. "We are beginning to see more and more aircraft that are registered in Bermuda and in order to provide the service for these customers, this is a necessary addition." say Lewis Homsher, Banyan's Quality Assurance Manager. The Bermuda authorities have conducted an audit of the Banyan facility and have issued Bermuda DCA repair station # BDA/AMO/ 365. "This is a great addition to our FAA, EASA (Europe), INAC (Venezuela), and ANAC (Brazil) authorized repair stations."
