

Supplemental Type Certificate

Number ST03901AT

This certificate issued to Banyan Air Service
5360 NW 20th Terrace
Ft. Lauderdale, FL 33309

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number : A22CE
Make : Cessna Aircraft Company
Model : 500, 550, S550, 552, 560, 560XL

Description of Type Design Change:

Cabin Wireless Local Area Network (WLAN) function activation on a previously installed Thrane & Thrane Aviation 200 Inmarsat Satellite Communications System per Banyan Air Service Master Drawing List (MDL) Number 21016-001, Revision C, Dated November 20, 2010, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. FAA Approved Airplane Flight Manual Supplement, Document Number 21016-020, Revision IR, dated October 14, 2010 is a required part of this STC, or later FAA approved revisions.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : June 28, 2010

Date reissued :

Date of issuance : December 14, 2010

Date amended :

By direction of the Administrator
