

## How to find a Doctor, Dentist or Vision Provider

1. Log into Humana.com with your username and password. Choose Medical on Humana Dashboard then scroll down to "Find a Doctor". Click on Link.

2. Once a new webpage opens, click on arrow for dropdown box to choose a Doctor, Dentist or Vision Provider.

3. Type in your zip code and select all under search bar. Type in the specific doctor you are looking for or refine your search with a name, symptom, condition or specialty. Then click on **Search**.
